

# Kids Helping Kids

Kids Helping Kids is the perfect opportunity for your group to get creative, have fun, and feel the magic of making dreams come true for kids like you right here in Michigan who are living with a life threatening illness.

Students from Fordson High School raised money through Penny Wars

From a simple wish, such as a new computer, to something as extraordinary as a visit with the President of the United States at the White House, to the most requested wish of all, a trip to Disney World, we make dreams come true with your help!

Lemonade and Bake Sale fundraiser by one of our Wish Families

We are happy to come and speak to your group about The Rainbow Connection mission, support your fundraising efforts for our Wish Kids and ultimately, present you with an acknowledgement commemorating your charitable giving!
